

Family Math Event Questionnaire

Thank you for supporting the State Department of Education's Family Math Program. We hope you are enjoying and implementing your Family Math Kit and that your Family Math Events have been successful.

In an attempt to meet your needs and to track the progresses of the Family Math Program, through the Math Initiative, please complete a questionnaire **after every Family Math Event** to provide informational feedback. Please thoroughly go through your math kit after each event to determine if any materials or supplies are missing; let us know in the questionnaire, line 36, what materials/supplies you are in need of. Fill out and send back the questionnaire within one week after your event; we will send out needed materials promptly.

The questionnaire can be completed one of two ways:

1. A printed copy, see pages to follow, may be filled out and mailed to:

Nichole K. Hall – Math Initiative Specialist
 State Department of Education
 650 W. State Street
 Boise, Idaho 83720

2. An electronic copy may be accessed at the following link:

<http://www.sde.idaho.gov/site/math/FamilyMathNight/questionnaire.htm>

Fill out the questionnaire and send via email to nhall@sde.idaho.gov

If there are any questions concerning your Family Math Kit or this questionnaire, please contact:
